

## **A FEW WORDS FROM THE SMITHS**

This crisis does not just affect Stephen. Here are a few words from his children and wife.

### **A WORD FROM STEPHEN'S WIFE OF 14 YEARS, MARY**

The support, love and kindness from everyone has been so overwhelmingly wonderful. Our one prayer through all of this has been that it would impact The Lord's kingdom for the better and I see how much

God has granted that prayer already. We are truly humbled by every ones generosity in finance and in time and compassion.

### **MAERISSA IS STEPHEN AND MARY'S 10 YEAR OLD DAUGHTER.**

"I feel really, really grateful and I love all our friends and family and the people in our church because they are trying to get daddy a kidney."

### **SAXON IS STEPHEN AND MARY'S 8 YEAR OLD SON.**

"I feel grateful that daddy's going to get a kidney transplant so he can go outside a lot and so he will feel really good."
